No. 1419

Hapaw Sub Division Office
Dated Hapaw 23rd March 88

To,

The Secretary to the Dewan
of Mysore,

Sir,

Hitherto the Amildar of Manjarabad Taluk used to be invested with power to try cases arising under the Breach of Contract Act 13 of 1859 in the Taluks of Manjarabad & Belur. The proximity of a Magistrate thus empowered was convenient to Employers of labor. -

Since the recent change of Amildar in Manjarabad there is complaint that parties having to prosecute for breaches of Contract have to come all the way to Hapaw the inconvenience of which is all the greater if I happen to be on circuit and the Munsiff who

is

is the only 2nd class Magistrate in this Sub Division is already over burdened with his Civil work & with the Criminal work which unavoidably falls to his share. All this because the present Amildar Narasimmiengar is not invested as his predecessors were with the necessary powers.-

The Chief Judge objects to invest 3rd class Magistrates any longer with powers under Act 13 of 1859. And on a further representation to the District Magistrate that Amildar Narasimmiengar may be recommended for 2nd class powers the District Magistrate writes that a recommendation has been made to this Effect in the Criminal Administration Report.

I respectfully solicit that the recommendation may receive early consideration and orders. A favorable consideration thereof

will

will obviate the present inconvenience
to those who have to prosecute under
Act 13 of 1859, will afford relief to
the hard & overworked Immunity
and will exact more & superior
Criminal work from Narasimmiah
which he has been found Capable
of discharging in consequence of
which indeed I understand he
was recommended for 2nd Class
powers while he was at Mandya

I have the honor to be,

Sir,

Sir.

In reply to your letter No. 113/2 dated the 5th Instant, I am directed to state that the District Magistrate of Kadur has already addressed the Chief Judge on the subject of conferring the powers of a 2d Class Magistrate on the Amildar of Manjerabad, in consequence of the representation of the Sub Division Officer. The Chief Judge has written to ask the District Magistrate whether he endorses the Sub Division Officer's recommendation, and on the receipt of the District Magistrate's reply will communicate further with the Dewan.

2. I am to add that in the opinion of the Chief Judge, Act XIII of 1859, is a piece of legislature of very doubtful

propriety, it is an Act which requires to be very carefully worked, and Mr Plumer considers that special powers under it should not be conferred on any but very experienced Officers. This too was, I am to say, Mr Sandford's opinion

3. The Chief Judge remarks that the Sub Division Officer is wholly wrong when he writes of the Munsiff being over burthened with work, his Court file is by no means heavy, not so heavy by one half of the file of the Bangalore Additional Munsiff, Mr Knight. The Criminal work of the Munsiff is not excessive, and the Chief Judge remarks that it is ridiculous to state of the Munsiff being overburthened with work.
